TO MARKET, TO MARKET ...
AusBiotech Queensland State Conference

11-12 September 2008
Hyatt Regency Sanctuary Cove, Gold Coast, Queensland

Speaker Profile

Alistair Smith, Partner Davies Collison Cave

Alistair specialises in the drafting and prosecution of medical device related patent applications and has extensive experience in respect of computer software and electronic devices, and their application to the medical and biotechnology fields.

Alistair's professional activities focus on drafting and prosecuting patent applications, as well as providing strategy advice to start-up companies.

Alistair completed a degree in Natural Sciences at Cambridge University, before working in London for five years, where he qualified as a European and British Patent Attorney. Following this, Alistair migrated to Australia, where he now works as a Senior Associate for Davies Collison Cave.

Alistair is currently a member of the AusMedtech NSW steering committee, and is assisting in establishing a steering committee in Queensland.
