

Speaker Profile

Hamish Hawthorn Chief Executive Officer ATP Innovations Pty Ltd

Hamish Hawthorn is the Chief Executive Officer of ATP Innovations – Australia’s premier technology business incubator. ATP Innovations delivers commercialisation and business expertise to emerging technology businesses, helping entrepreneurs build successful high-growth companies.

Hamish has been involved in the commercialisation of technology for over 15 years with experience in the advanced manufacturing and life sciences sectors. Prior to joining ATP Innovations, Hamish directed strategic business development programs for a number of Australian technology companies. He also has worked in economic and industry development for the Federal and New South Wales Governments, focusing on emerging technology businesses and early-stage entrepreneurship.

Hamish is a Visiting Fellow in the Entrepreneurs in Science Program at the University of New South Wales, and lectures on entrepreneurship at the University of Sydney, the University of Technology, Sydney and the Australian National University. He is a qualified mechanical engineer with postgraduate training in business and technology.
