

## Speaker Profile

### **Dr Martin A. Devitt Medical Director Perficio Pty Ltd**

Dr Martin A. Devitt graduated with a Bachelor of Medicine from the University of Newcastle (Australia) in 1997. He then went on to become a registrar in anaesthetics and intensive care. In June 2000, he joined the Therapeutic Goods Administration (TGA) and eventually went on to become the Head of the Medical Devices Clinical Section. At the beginning of 2005 he joined Cook Australia to undertake the role of Medical Director, and at the beginning of 2007 became a Director (and the Medical Director) of Perficio Pty Ltd, a company comprised of medical device experts established for the purpose of providing cross-disciplinary training and consulting services to biotech. and medical device companies. In both these capacities, he provides high-level clinical advice on pre- and post-market safety, quality, performance, and marketing issues pertaining to the manufacture and supply of medical devices globally. In addition to these roles, he also still practices clinically part-time in emergency medicine.
